RE: VanEck UCITS ETFs plc (the “**Company**”)

Notification of proposed changes to the Supplement for the following sub-fund of the Company:

- VanEck US Fallen Angel High Yield Bond UCITS ETF (the “**Fund**”)

Dear Shareholder

We, the Directors of the Company, are writing to formally notify you of proposed changes to the Supplement of the Fund, further details of which are set out below.

Any defined terms in this letter shall have the same meaning as set out in the Supplement or Prospectus, unless otherwise defined herein.

Notification of Proposed Changes to the Supplement

The purpose of this letter is to provide notification to each Shareholder of the impending changes to the Dealing Deadline set out in the Fund’s Supplement as follows:

The “Dealing Deadline” (i.e. the point in time by reference to which applications to subscribe for or redeem a Creation Unit) will change from “4:00 p.m. (Irish time) on the Business Day prior to the relevant Dealing Day”, to “4:00 p.m. (Irish time) on the relevant Dealing Day”.

The Directors do not believe that these changes will have a material impact on how the Fund is managed. The rationale for the proposed amendment of the “Dealing Deadline” is operational in nature and to facilitate the timely processing of subscriptions and redemptions of Creation Units. The costs and/or expenses that will be incurred in connection with the implementation of the change will be borne by the Manager.

Effective Date of the Changes

It is intended that the changes outlined above will take effect on or about **6 August 2024**.

On the effective date the Fund will convert to the new Dealing Deadline as detailed above. The proposed changes will be detailed in the updated Supplement of the Fund, which will be available upon request and published on the VanEck website www.vaneck.com.
