EINC estimates that it has distributed more than its income; therefore, a portion of your distribution may be a return of capital. A return of capital may occur, for example, when some or all of the money that you invested in the Fund is paid back to you. A return of capital does not necessarily reflect EINC’s investment performance and should not be confused with ‘yield’ or ‘income’.

The amounts and sources of distributions reported in the Notice are only estimates and are not being provided for tax reporting purposes. The actual amounts and sources of the amounts for tax reporting purposes will depend upon EINC’s investment experience during the remainder of its fiscal year and may be subject to changes based on the tax regulations. EINC will send you a Form 1099-DIV for the calendar year that will inform you how to report these distributions for federal income tax purposes.
